SOUTH ARLINGTON, VA. 22204

Licensee under 35 U.S.C. 184 is hereby granted to file in any foreign country a patent application and any amendments thereto corresponding to the subject matter of this U.S. application identified above and/or any material accompanying the petition. This license is conditioned upon modification of any applicable secrecy order and is subject to revocation without notice.

License Number: 531,773

Grant Date: 18-Dec-03

Approved:

for Commissioner of Patents and Trademarks

This license empowers the filing, the causation and the authorization of the filing of a foreign application or applications on the subject matter identified above, subsequent forwarding of all duplicate and formal papers and the prosecution of such application or applications.

This license is granted under 37 CFR 5.15(a)

This license is to be retained by the licensee and may be used at anytime on or after the date thereof.
This license is not retroactive unless specifically indicated.

The grant of this license does not in any way lessen the responsibility of the licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations, especially with respect to certain countries, of other agencies, particularly the Department of the Treasury; Office of Munitions Control, Department of State (with respect to Arms, Munitions and Implements of War); the Bureau of Trade Regulation, Office of Export Administration, Department of Commerce; and the Department of Energy.

PETITION FOR EXPEDITED FOREIGN FILING LICENSE
UNDER 37 C.F.R. § 5.12

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

It is respectfully requested that the above-captioned application be promptly granted a foreign filing license, preferably of the scope of 37 C.F.R. § 5.15(a), or in the alternative, of the scope of 37 C.F.R. § 5.15(b). A copy of the application as filed is attached hereto as Exhibit A.

The above-captioned application was filed on November 13, 2003, and a filing receipt has not yet been issued. However, Applicants desire to complete foreign filing in the immediate future in order meet a priority deadline. The application is based on provisional U.S. Application No. 60/436,653 filed on December 30, 2002, for which a license for foreign filing of the scope of 37 C.F.R. § 5.15(a) was mailed on March 6, 2003. A copy of this foreign filing license is attached hereto as Exhibit B. Because the provisional application

already has a license of the broadest scope, and because the nature of the invention does not remotely impact national security, prompt issuance of the foreign filing license is earnestly solicited.

The government fee of \$130 as required in 37 C.F.R. §1.17(h) is attached. Questions are welcomed by the below-signed attorney for Applicants.

Respectfully submitted,

GRIFFIN & SZIPL, P.C.
